

Basic Needs for the Victims We Serve

Domestic Violence is the immediate cause of homelessness for many women and children in the United States. Survivors have both, short and long-term immediate basic needs.

Most victims leave their homes with nothing but the clothes on their backs. They flee terrified and with little time to gather the most basic and essential material possessions. A Safe Harbor Home, Inc. provides them with a safe and adequate environment to rebuild their lives in. A bed to rest their head on, and personal hygiene products however, are examples of the basic needs victims find themselves in immediate need for. A Safe Harbor Home's Basic Needs Provision program is 100% dependent on public donations for funding. You can help by donating needed items or via monetary donations. Some of the most needed items include (but are not limited to):

- New box spring, mattress and bed frame
- Twin and full size bedding
- Pillows
- Towels
- Toiletries
- Gently used furnishings
- Dinnerware
- New and gently used toys

***Monetary donations are greatly appreciated for the purchase of the above items.
