

Stop Violence Against Young Women

We believe every girl has the right to live a life free of fear, abuse or violence and we're doing something about it.

The numbers are horrific: 1 in 4 becomes a sexual assault victim, 1 in 3 face dating abuse, and too many encounter random violence, date rape drugs, hate crimes or traffickers. A Safe Harbor Home, Inc. believes in empowering girls to know their rights, to stand up for themselves, to be aware of dangers they face and to escape violence when trouble finds them. We do so through community forums and media presentations addressed to young women in high school and college.
